

**HOMEBUILDING
& RENOVATING**
SHOW
SANDOWN PARK, SURREY
30 JUNE - 1 JULY 2012

*The South of England's only
self-build & renovation event.*

DELIVERING QUALITY LEADS. WITH SERIOUS PROJECTS.

Delivering quality leads. With serious projects.

The Southern Homebuilding & Renovating Show is the place to be to meet serious prospects with serious projects. Whether you are a manufacturer, supplier or distributor in the homebuilding and renovating industry, this show is essential for your business.

If you are looking to attract active build, renovation, conversion or home improvement leads then this show is proven to deliver year after year. No other show delivers this blend of industry experts, educational seminars and master classes, show features and interactive demonstrations allowing visitors not only the chance to source new products and services but to gain the knowledge to tackle their projects with confidence.

Homebuilding & Renovating Show, launched in 1991, has established itself as the premier showcase event for the core self building/renovating public audience. The show caters for all areas of homebuilding from bricks, timber frames and structural system to heating, flooring, doors and cladding. It also includes the growing importance of ecological products/services along with energy efficiencies and sustainability.

Its uniqueness lies in the Show's absolute focus on technical excellence, ensuring that visitors can not only source building products across the whole spectrum but can also solicit expert advice and information, often on a one-to-one basis.

Features include:

- Comprehensive seminar programme
- Indepth masterclass programme
- Ask the Experts area
- Co-located with The Kitchen & Bathroom Show
